Transmittal # 03-06

Date Signed: JUL 26 2006

REGION 5 DELEGATIONS MANUAL

Purpose. This transmittal provides material for the Region 5 Delegations Manual.

Explanation. This Transmittal Memo approves Region 5 sub-delegation 14-31-i. During January 2006, the Superfund Division was re-organized. One change effected by that re-organization was that the Office of Chemical Emergency Planning Program became the Chemical Emergency Preparedness and Prevention Section, within Emergency Response Branch #1. Not infrequently, Region 5 issues administrative complaints that allege violations of both CERCLA section 103 and EPCRA. So that one Region 5 official may act as the Complainant in such joint enforcement actions, this sub-delegation 14-31-i is issued to authorize the appropriate Branch Chief in the Superfund Division (currently, the Chief of Emergency Response Branch #1) to act as the Complainant in CERCLA section 103 enforcement actions. (Region 5 Delegation 22-3-A authorizes the same Superfund Branch Chief to issue administrative complaints alleging violations of EPCRA provisions other than section 313.)

Filing Instructions. Post receipt of this transmittal on the checklist of EPA transmittals in the Region 5 Delegation Manual.
